

Izveštaj – učešće na konferenciji koju je organizovao CIN

Hotel CentreVille, 25.06.2020.

Konferencijom koju je Centar za istraživačko novinarstvo organizovao 25.06.2020. je zaokruženo jednogodišnje istraživanje CIN-a koje se bavilo zaštitom i zdravljem na radu zaposlenih u privatizovanim preduzećima u stranom vlasništvu, kao i onih angažovanih na infrastrukturnim projektima. Kroz devet istraživačkih priča javnost je upoznata sa rezultatima istraživanja, a sve u cilju povećanja vidljivosti ove teme i podizanja svijesti poslodavaca i zaposlenih, što će, nadamo se, doprinijeti boljem razumijevanju ZZNR i poštovanju zakonom predviđenih prava i obaveza, čime bi se sačuvali životi i zdravlje zaposlenih.

Osim Ministarstva rada i socijalnog staranja, Uprave za inspekcijske poslove, Unije poslodavaca i socijalnih partnera, učešće na ovoj konferenciji je uzelo i Udruženje zaštite na radu Crne Gore. Koordinatorica projekta Đina Janković je govorila o stanju zaštite i zdravlja na radu u Crnoj Gori, aktivnostima koje je UZNRCG realizovalo u prethodnom periodu, kao i podršci i pomoći koju su pružili CIN-u u cilju što boljeg izvještavanja o ovoj temi i problemima na terenu.

Report – participation in the conference organized by CIN (Center for Investigative Journalism) Hotel CentreVille, June 25th 2020

The aim of the conference organized by the Center for Investigative Journalism on June 25th 2020, was to round a one-year CIN study that addressed occupational safety and health in privatized foreign-owned enterprises, as well as those engaged in infrastructure projects. Through nine research stories, the public is now acquainted with the results of the research, in order to increase the visibility of this topic and raise the awareness of employers and employees, which will, hopefully contribute to a better understanding of the Law on Public Procurement, as well as the rights and obligations provided by law, which would save the lives and health of employees.

Together with the Ministry of Labor and Social Welfare, the Directorate for Inspection Affairs, the Employers' Union and social partners, the Safety at Work Association of Montenegro also took part in this conference. The Project Coordinator Dina Jankovic spoke about the state of safety and health at work in Montenegro, the activities carried out by SWAM in the past period, as well as the support and assistance they provided CIN with, with the aim of better reporting on this topic and the problems in the field.
