

Međunarodna konferencija za regionalnu saradnju u oblasti ZZNR

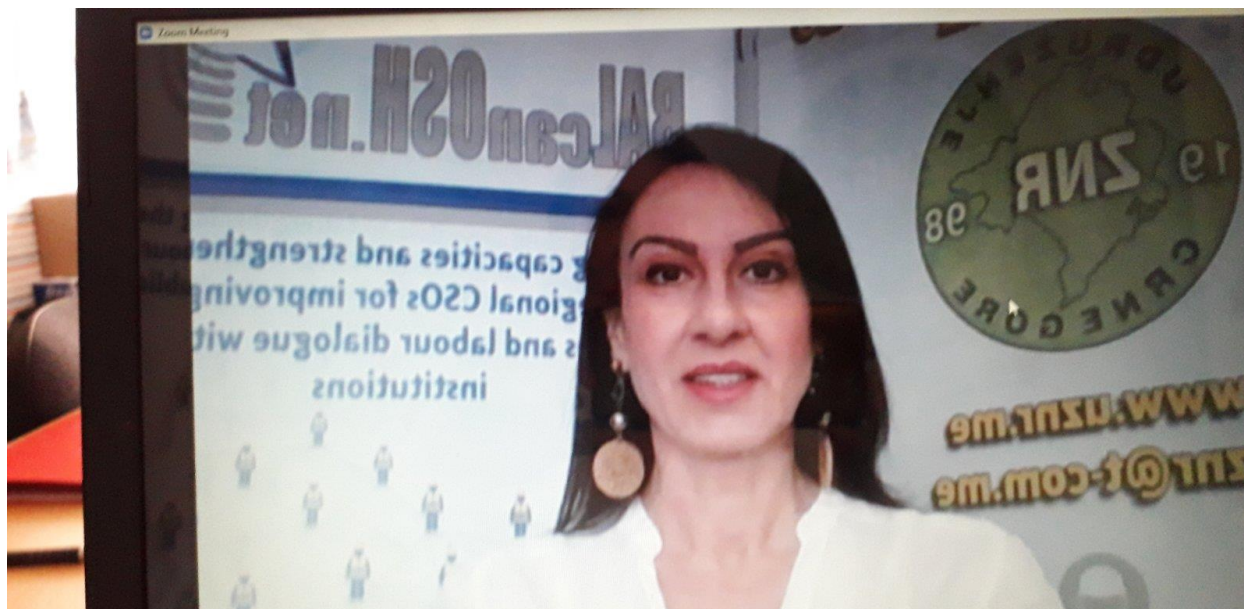

Struga, 30.09.2020.

U Strugi, Makedonija, je 30.09.2020. održana Međunarodna konferencija za regionalnu saradnju u oblasti ZZNR.

Na konferenciji je promovisan izvještaj o procjeni organizacionih i institucionalnih kapaciteta Nacionalnih savjeta za zaštitu i zdravlje na radu u IPA zemljama, koji je urađen u okviru projekta “Unaprjeđenje uslova rada i zaštite i zdravlja na radu kao podrška zemljama Zapadnog Balkanu u procesu pristupanja Evropskoj Uniji”.

Zbog veoma loše epidemiološke situacije, učešće na konferenciji od strane učesnika iz Crne Gore je bilo online. Izlaganja su imali koordinatorka projekta Đina Jnaković i inspektor rada za oblast zaštite i zdravlja na radu Zlatko Popović. Oni su govorili o stanju ZZNR u Crnoj Gori, brojnim izazovima u ovoj oblasti i problemima koji postoje zbog nepostojanja Nacionalnog savjeta za ZZNR i Instituta medicine rada.

- Obligation to exercise and promote generally accepted rights as pillars of functional social dialogue;
- Legal framework where the issues of a certain sphere (OSH) are regulated;
- Harmonization of stakeholders' interests;
- Enabling mechanisms to control and evaluate the operation of the safety and health at work;
- A holistic approach to addressing the multidisciplinary area such as occupational safety and health;
- Prevention and awareness that leads to avoidance versus dealing with side effects;
- Continuous capacity building and communication between stakeholders in this area.

Task: OSH Councils Capacity Assessment Process

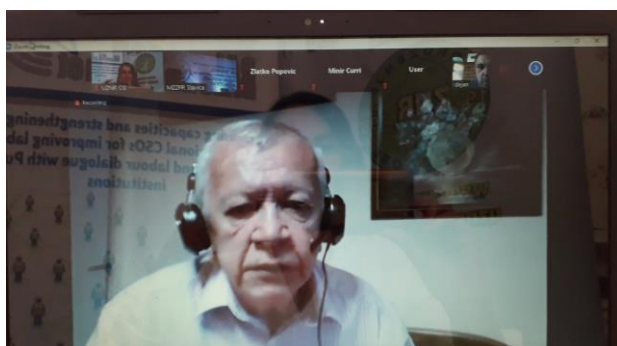

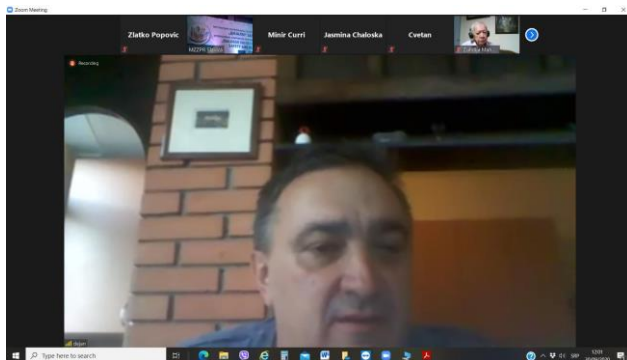

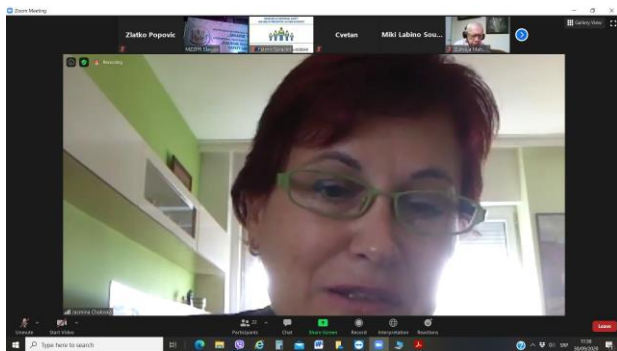

FOR FURTHER CONSIDERATIONS

Which of the following organizational aspects do you think the Council should have in the future in order to make its functioning more efficient?

- To move from an informal to a formal body
- Extended competencies
- Technical-administrative staff
- Financial support for the implementation of the annual work programs of the Council
- Training for Council members
- More meetings per year
- Greater public visibility
- Communication, cooperation and exchange of experience with related bodies in the region and beyond
- Involvement of other organizations and institutions in the membership of the Council

International Conference for Regional Colaboration in the field of OSH

Struga, September 30th 2020

In Struga, Macedonia, on September 30th 2020, the International Conference on Regional Cooperation in the field of OSH was held.

The conference promoted the report on the assessment of organizational and institutional capacities of the National Councils for Occupational Safety and Health in IPA countries, which was done within the project "Improvement of working conditions and safety and health conditions in support of the Western Balkans in their EU accession process". Due to the very bad epidemiological situation, participation in the conference by the participants from Montenegro was online.

The presentations were given by the Project Coordinator Djina Jnakovic and OSH Inspector Zlatko Popovic. They spoke about the state of OSH in Montenegro, the numerous challenges in this area and the problems that exist due to the non-existence of the National Council for OSH and the Institute of Occupational Medicine.
